Re: The People of the State of New York v. Actavis, plc and Forest Laboratories, LLC,  
LA ex 7473 (S.D.N.Y.)

Dear Judge Sweet:

As discussed with the Court this afternoon in the connection with scheduling oral arguments and post-hearing findings of fact, we have conferred with our clients, Actavis and Forest Laboratories about the existing standstill commitment that would expire on November 23, 2014. Defendants have agreed to extend their standstill until December 15, 2014, in light of its recently announced decision to start the Foundation Care specialty distribution of Namenda® IR tablets in January 2015.

With this extension, on behalf of Defendants we confirm the post-hearing schedule the Court worked out with the parties this afternoon:

- Nov. 18, 2014 - Tuesday Post-Hearing Findings of Fact and Conclusions of Law
- Nov. 20, 2014 - Thursday Reply Findings of Fact and Conclusions of Law
- Nov. 24, 2014 - Monday Closings and Motion to Dismiss Oral Argument

Finally, Defendants hope to close their case in chief tomorrow.

Respectfully,

J. Mark Glady
